Norfolk as it was in 1798.

NORFOLK, a port of entry, post-town and seat of justice in Norfolk County, on the east side of the Elizabeth River, immediately below the confluence of the Eastern Branch. It is the most considerable commercial town in Virginia. The channel of the river is from 350 to 400 yards wide and at common flood tides has 18 feet of water up to the town. The harbour is safe and commodious, and large enough to contain three hundred ships. It was burnt on the first of January, 1776, by the Liverpool man-of-war, by order of the British Governor, Lord Dunmore, and the loss amounted to £300,000 sterling. It now contains about five hundred dwelling houses, a Court-House, Gaol, an Episcopal and Methodist Church, a Theatre and an Academy. In 1790, it contained 2,959 inhabitants, including 1,294 slaves. The town is governed by a mayor and several aldermen. The exports for one year, ending September 30th, 1794, amount to \$1,660,752. A canal of 16 miles in length, is now cutting from the North Branch of Albemarle Sound in North Carolina, to the waters of the South Branch of the Elizabeth River. It will communicate with the Elizabeth River nine miles from Norfolk. It is 1 mile E. S. E. of Richmond, 54 from Williamsburg, 30 N. E. of Suffolk, and 389 S. by W. of Philadelphia. N. latitude 36.55, W. longitude 76.28.

Portsmouth as it was in 1798.

PORTSMOUTH, a flourishing and well built town in Norfolk County, Virginia, on the west side of the Elizabeth River, opposite to, and a mile distant from Norfolk; both of which constitute but one port of entry. It contains about three hundred houses, and 1,702 inhabitants.

Norfolk, Virginia, 1909

Norfolk is the Fourth Cotton Port in the United States, the receipts for the year ending August 31st, 1908, being 571,569 bales.

Transportation facilities of such magnitude naturally attract an immense volume of business through the port, the total valuation for the year 1908 being estimated at \$822,000,000.00.

Its Lumber Industry is one of the largest in the South, 700,000,000 feet being handled during the past year, exporting logs, squared timbers and staves to the amount of an additional 80,000,000 feet.

Largest Peanut Market in the World, 3,500,000 bushels handled annually.

Four thousand persons engaged in handling Oysters, the average yearly output being 3,500,000 bushels—value of Fish and Oyster business year 1908, \$1,000,000.

Aggregate value of Truck handled yearly, \$8,000,000.

Annual output of Fertilizer, 250,000 tons.

Not the least attractive feature of Norfolk is its ideal Summer Resorts—Ocean View, Virginia Beach, Cape Henry, Willoughby Beach, Old Point and Pine Beach, the latter being used exclusively by the colored population. Its popularity in this respect is attested by the fact that during the past summer approximately 120,000 excursionists were brought into Norfolk in addition to the regular passenger traffic.

It is safe to assert that no community in the country offers better opportunities to those seeking either investments, locations for manufactories or delightful homes.

Norfolk, with a harbor 30½ feet deep at high water, is the terminus of eight railroads, nine coastwise and domestic steamship lines and regular foreign steamers to London, Liverpool, Glasgow, Hamburg, Bremen, Amsterdam, Rotterdam, Antwerp, Cuban and Mexican ports.

Railway Lines—Southern Railway, Atlantic Coast Line, Seaboard Air Line, Norfolk & Western Railway, Norfolk & Southern Railway, Chesapeake & Ohio Railway, New York, Philadelphia & Norfolk Railroad and the Virginian Railroad. Total railway mileage, 19,277, being 9 per cent of the total railway mileage of the United States, enters Norfolk.

Steamboat Lines—Merchants and Miners Transportation Co., to Boston and Providence; Old Dominion Steamship Co., to New York daily; Clyde Line Steamship Co., to Philadelphia; Chesapeake Line and Baltimore Steam Packet Co., to Baltimore daily; Norfolk and Washington Steamboat Co., to Washington and Alexandria daily; Old Dominion Steamship Co., and Virginia Navigation Co., to Richmond and James River Landings daily; Weems Line to Rappahannock River Landings; and the Old Dominion Steamship Co., to Smithfield and Suffolk. Aggregate tonnage of the regular steamers plying to and from this port is 76,266.

Mr. Business Man:

THIS DIRECTORY IS ISSUED ANNUALLY.
No other medium in the world gives the
information contained herein, therefore, it is
CONSULTED DAILY for TWELVE MONTHS
until a new edition is issued : : : :
What better medium to gain publicity FOR
YOUR ADVERTISEMENT? Glance over the
many advertisers in the Directory—note among
them the most progressive and prosperous
merchants.

THE LEDGER-DISPATCH

Is the Housewife's Guide

The Ledger-Dispatch

IS READ BY PRACTICALLY EVERY WOMAN
IN NORFOLK AND ADJACENT TERRITORY.
THE THRIFTY HOUSEWIFE CONSIDERS IT
HER "SHOPPING GUIDE."

In response to the question "Why should the merchants use the Ledger-Dispatch for making their announcements?" we received hundreds of replies from women in all walks of life—wives and daughters of influential, substantial citizens; school teachers, stenographers, mill operatives, etc. Here's what some of them say:

"Because more women read the Ledger-Dispatch than both the morning papers combined, I should say it is the best medium for the advertiser."

"Because the Ledger-Dispatch has that wide circulation without which the best advertising skill must fail of its object."

"Because the Ledger-Dispatch reaches more people than any other Norfolk paper. All of the leading merchants advertise in its columns."

"Because the Ledger-Dispatch is invaluable to the buying public. It always has the most advertisements."

"Because the Ledger-Dispatch is read by the whole population in this section."

"Because the Ledger-Dispatch has a much wider circulation than any other Norfolk paper. I think it is the merchant's best friend."

"Because the Ledger-Dispatch is Norfolk's most popular news paper."

"Because the Ledger-Dispatch is an absolute necessity to the people. It is quite the fad to refer to it for anything and everything they want."

"Because the Ledger-Dispatch goes into more homes in Tidewater Virginia than any other paper and because it reaches all classes, rich and poor alike."

"Because the Ledger-Dispatch is a bright, attractive, progressive paper. It is so very popular and has such a great circulation."

"Because the Ledger-Dispatch is read by everybody. I believe it is read by ten times more people than any other paper printed in our city."

"Because the Ledger-Dispatch brings the most people in closest touch with what the merchant has to offer."

"Because the Ledger-Dispatch is undoubtedly the best advertising medium."

"Because the Ledger-Dispatch is the most progressive and wide-awake paper this part of the South has ever had."

"Because the Ledger-Dispatch is an evening paper and more people have time to read it. It certainly is the best paper for the home."

"Because the Ledger-Dispatch is used by all of the big stores for their advertisements is pretty good reason why everybody who has anything to advertise should use it, too."

"Because the Ledger-Dispatch is a welcome visitor in every household. In our home it is pulled apart so that everybody can read it at the same time."

"Because what is advertised in the Ledger-Dispatch is never missed—everybody reads it. It is the best paper going."

"Because every issue of the Ledger-Dispatch is looked for and read by everybody in this territory."

"Because the Ledger-Dispatch has a wide-spread circulation in our own and sister states."
